Subject: FOUND HUMAN REMAINS

1. On Monday, January 03, 2022, at approximately 10:08 am, Cody Police officers responded to the 1300 Block of Sunset Blvd South in Cody to a report of found human remains.
2. During the preliminary investigation, officers learned landscapers were working behind a residence in the area when they discovered partial human remains on the hillside above Sulfur Creek. With the assistance of a Park County Search and Rescue cadaver canine, additional remains were located near the bottom of Sulfur Creek.
3. The identity of the remains has not been determined.
4. A complete and thorough investigation is underway. However, at this time there are no indications of any criminality.
5. Additional information will be made available pending a complete forensic examination of the remains.
